ANNUAL FINANCIAL REPORTING TO MEMBERS

Recent legislation changes mean that we will not automatically send you the Clubs Annual Report. This gives us a great opportunity to save on paper, printing and postage costs. It is also great for the environment.

For the Club's financial reporting, the Club Macquarie website will be the default method of making the concise Annual Report available to Members. Each year the Annual Report will be accessible at www.clubmacquarie.com.au.

By accessing the concise annual Report on our website, you will be playing your part in ensuring the environmental and financial savings can be maximised. Nevertheless, you also have the choice of receiving the concise Annual Report by post or by email. Any choice made now stands for subsequent years unless you advise us otherwise.

If not completed no report will be issued:
