

JDCHR Round Tassie Tour - Easter 2009

Day 1 Thursday 2nd April

Newcastle to Gundagai

Graeme and I travelled to the Caltex Service Station on the freeway to meet Ian, Jan, Peter, Leyland, Helen Steven and Robynne. We were to head off at 8.00am but Steven forgot his Etag and they had to go back home to collect. We then departed at 8.35am. We arrived at Sutton Forest at 11.00am for fuel and to meet Graeme and Victoria. We then left in a convoy down the Freeway, showers all the way to Goulburn.

We arrived for lunch at the Tucker Box Gundagai where we celebrated Jan (1st) and Victoria (2nd) Birthday with a cake.

Happy birthday

Leyland's 1st tyre change

We were about to depart when we noticed Leyland had a flat tyre so after a quick change we departed at 3.15pm. We drove onto Tarcutta for Leyland to fix the tyre which had the sticker still on the inside of the tyre and it wore through the tube. This was also an ice cream stop as it was quite hot and we needed a cool down.

We soon departed to arrive Holbrook at 5.20pm; sorted the cars in front of our rooms which were undercover and we sat around relaxing.

Then off to the pub for dinner while Peter Jan and Ian went to Chinese which was a shorter walk. Andrew Veralene and Liam arrived around 10.30pm
