

JDCHR Round Tassie Tour - Easter 2009

Day 2 Friday 3rd April
Gundagai to Melbourne

We all said hello to Andrew, Verelene and Liam and departed the motel at 8.45am. Went through more showers and road works and now the new road bypasses Albury and Wodonga.

We fuelled again at Wangaratta at 10.10am and had morning tea and a good break. We then drove to Craigieburn for lunch at 1.30pm in a storm.

We had a break for about an hour then headed to St Kilda. We got a bit confused on the corners to take (silly GPS) and were split up for a while but the phone was useful and we were in touch with the ones at the back of the convoy.

Lunch at Wangaratta

At St Kilda preparing to board Spirit of Tasmania

After parking the cars on the waterfront some of us went for a walk and have coffee before heading over to the ferry.
