

JDCHR Round Tassie Tour - Easter 2009

Day 4 Sunday 5th April

Burnie to Stanley to Smithton to Burnie

Table Cape Lookout

It was overcast when we departed the Motel at 9.00am and we drove to Table Cape Lookout and only had time for a quick look and photo shots before the rain came down.

We then drove to Boat Harbour where the sun came out again and we had morning tea right on the beach. The spot was lovely even though it was cool.

Relaxing with an ice cream in Stanley

Afterwards we drove on to Stanley and had lunch. Saw the nut, Peter was the only one to brave the cold and climb up. We walked up the main street before leaving for Smithton to the Dismal Swamp.

Such a pretty drive and plenty to see. We then drove back to Burnie arriving around 5.45pm. The drive today was pretty overlooking the coastal waters.
