

JDCHR Round Tassie Tour - Easter 2009

DAY 10 SATURDAY 11TH APRIL

JAGUAR NATIONAL RALLY DISPLAY DAY

As it rained the night before the boys were up early to chamie the cars and make them beautiful for their big day on display. We departed around 7.15 to assemble at the Cenotaph then proceed down to the Parliament House Park at 8.00am for the Display Day. As the cars entered the little park at the Cenotaph and lined up they looked really good before heading off.
