

JDCHR Round Tassie Tour - Easter 2009

DAY 10 SATURDAY 11TH APRIL

JAGUAR NATIONAL RALLY DISPLAY DAY

The Salamanca Markets were right near us in the street so we spent a lot of time browsing and buying the bargains of the day. The sun came out and was a lovely day just sitting around till it was time to leave.

We were able to leave around 3.00 which was good to go back to cabins and rest up before heading back out for the Dinner on a cruise up the river.

We cruised under the Bowen and Tasman Bridges, past the Casino and the mineral ore works. We arrived back at the Constitution Dock (the same where the Sydney-Hobart Yacht Race finishes) around 11.00pm
