

JDCHR Round Tassie Tour - Easter 2009

DAY 11 SUNDAY 12TH APRIL
HOBART TO TAHUNE WALKWAY

The Easter Bunny came over Mt Wellington and stopped by the cabins leaving little eggs on the front of the cars.

We enjoyed a beautiful trip with the rest of the Jaguar enthusiasts down to Margate, Oyster Cove, Cygnet up to Huonville, Franklin, and Geeveston to Tahune Air Walk. We went on a guided tour on the Air Walk right to the end overlooking the Huon River. Then it was back to the information centre for a BBQ lunch.

Very brave Mary — now where's the next one !

Everyone left at different times to make their way back to Hobart. Graeme and I went back to Huonville then on to the Grove back into Hobart. What a pleasant trip, the scenery is magnificent.

For dinner we walked to the Tavern just down the road from cabins for everyone to enjoy our last meal together before Graeme & Victoria left for home the next day
