

JDCHR Round Tassie Tour - Easter 2009

DAY 12 MONDAY 13TH APRIL

HOBART TO PORT ARTHUR

Victoria and Graeme left us today to make their own way home to Seaham. It was a little sad to see them go, but we wished them well. Peter opted to tour around Hobart for the day while the rest of us were going to Port Arthur.

While we were having morning tea at Dunally Ian announced that Leyland had come 4th in the Peoples Choice Award at the National Rally. This was good news as there were about 150 cars. He is very proud of his car so this was real exciting (still waiting to hear how Daniel (grandson) was told).

On arriving at Port Arthur we all split up so we could do our own thing. Graeme and I opted to do a guide tour which was very interesting then we went on a cruise around a little island where the convicts were buried. Then we walked around seeing the others at different times.

We caught up with Garry and Rhonda so decided to leave with them. On reaching our cars Robynne and Steve were having a rest on a blanket at their car before heading off.

We went back to the Tasmanian Devils to see them before returning back to the cabins.
