

# JDCHR Round Tassie Tour - Easter 2009

DAY 13 TUESDAY 14TH APRIL

HOBART TO ST HELENS

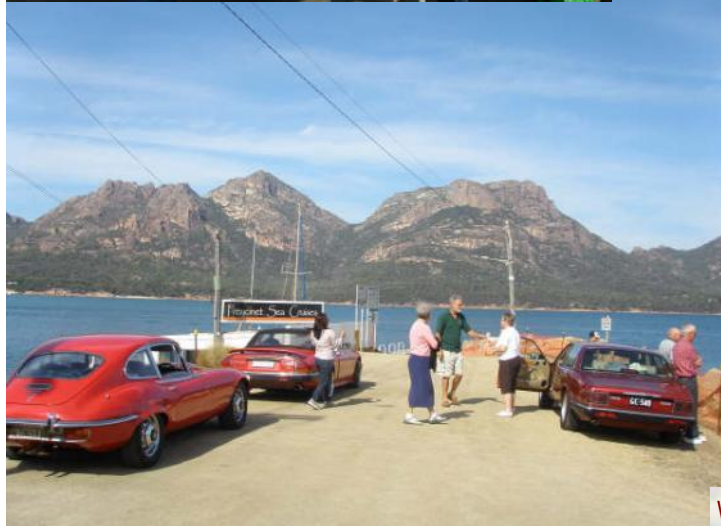

Today Tina (Garry's car) is 20 years old.

On the Richmond Bridge

Departed cabins at 8.15am for St Helens; we went over Bowen Bridge on a sunny morning. We drove to Richmond and Ian got a photo of cars as we were driving on the bridge and we stopped at the little park so we could look at it. I think it was dated 1823.

Beautiful Coles Bay

We then drove on to Swansea (nice little town) then Coles Bay where we stayed for lunch then followed the coast road to Bicheno, Four Mile Creek and Falmouth and had an ice cream stop at Scamander then onto St Helens

The Hillcrest Tourist Caravan Park was before we got to St Helens which was very nice and relaxing.
