

# JDCHR Round Tassie Tour - Easter 2009

Day 15 Thursday 16<sup>th</sup> April

Launceston to King Solomon Cave

Up early for a trip to King Solomon Caves. Ian and Peter went with us with Ian driving the XJ40 for a change. Leyland Helen Andrew Veraleene and Liam in tow. We drove to Deloraine where Garry and Rhonda met us at Froggys Café then went to a little park for morning tea. We then drove on to Mole Creek and the caves.

Graeme Ian and myself waited for the others while they went through them, then we drove back to Mole Creek for lunch at the pub called the Tassie Tiger Bar which was very nice.

Then we went onto Chudleigh to the Honey Bee shop for browse as well as honey ice cream (very delicious).

We then went onto Westbury where we stopped at Martin's Automotive Engineering and saw some jaguars (of course) under restoration. The boys were very interested. We arrived back at the cabins around 5.00pm.
