

JDCHR Round Tassie Tour - Easter 2009

Day 18 Sunday 19th April

Breakfast with JCCT Northern Region @ Harley Davidson Cafe

Another great day and Graeme is celebrating his birthday by having breakfast at the Harley Davidson Restaurant with the JCCT Northern Region.

It was great meeting them all, and some of them came with us to Longford and showed and explained where the race way went around the town.

We went to town and stopped at the pub where they have all the photos of past races and even have a racing car sticking out through the window. It was very interesting.

From there we went to Woolmers Estate where some of us went on a tour of the building. Steve, Robynne, Graeme and I went back to Longford for lunch in a little park, then went on to Perth for a different way back to the cabins.

We then relaxed for the rest of the afternoon before we all went out to dinner at the RSL for our last meal on the island and celebrated Graeme's birthday with an ice cream cake for dessert.

The night was perfect for a stroll back to the cabins.
